

Our record of progress

What we've achieved together since 2017

✓ Playing a leading role in the local response to Covid

Working with the NHS to roll out the vaccine; and keeping the Island safe.

✓ Looking after our natural environment and recycling more waste

Reducing the Council's carbon footprint, saving money and diverting 99% of waste from landfill.

✓ Delivering homes for Islanders and supporting older residents

More affordable houses, better adult social care provision and a new homeless shelter and support.

✓ Supporting public transport and upgrading our highway network

Millions spent upgrading roads, major investment in our trains and securing lifeline ferry services during the pandemic.

✓ Investing in the next generation of Islanders

New school buildings & facilities, improved results and significantly more schools now Ofsted-rated as Good.

✓ Continuing to balance the budget and investing in the Island

Securing an extra £23m for council services during pandemic, and prioritising investment in regeneration (e.g. Venture Quays).

On the 6th May you'll also be voting for our Police & Crime Commissioner (Hants & IoW).

It's a big job with big powers.

- ✓ Managing a multi-million pound police budget**
- ✓ Setting local policing priorities**
- ✓ Holding the police to account**

Donna Jones – working to cut crime on the Island.

So it matters who's in charge

Donna Jones – Your Conservative PCC candidate will cut crime by:

- ✓ Increasing police visibility by putting more officers on Island streets** – and making it easier to report crime, including through mobile police desks and phone apps.
- ✓ Cracking down on noisy and speeding motorists through Isle of Wight towns and villages** – and prioritising other nuisance crimes.
- ✓ Working with the Council to tackle anti-social behaviour (including drugs)** – ensuring the quality of life enjoyed by Islanders is not adversely affected by a small minority.

With the extra police that we're working with Government to recruit.

More Police. Cutting Crime. Making Communities Safer.
